Jennifer,

I understand from our conversation yesterday after David Brown's deposition that since PG&E cannot produce a witness for one of the areas specified in the PMQ deposition this week, that you will produce a witness sometime next week at a date and time to be agreed upon, notwithstanding that the discovery cutoff is May 20, 2022. Please confirm.

Rich,

Confirmed.

Since we are agreeing to conduct discovery beyond the discovery cut-off, I think that it might be a good idea to request a continuance of the Pre-Trial Status Conference scheduled for May 24 until the week of May 30 because all discovery will be complete at that time. Please let me know your availability that week. There is an omnibus hearing scheduled for June 7 if the week of May 30 does not work for you or if the Court is not available.

Thanks. I assume you meant May 31, which is the Tuesday after Memorial Day. I could do that or June 7.

Yes, correct. May 31 is a Tuesday; I don't know if the Court is available that day. If it is not, we could do June 7. Tom is going to send an email to the Court requesting the continuance to one of those dates.
